DETAILED ACTION

Allowable Subject Matter

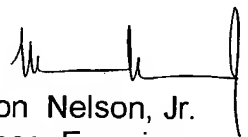

1. Claims 1-18 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to show an adjustable in height armrest including a releasable locking system including two locking members carried by the armrest carrier and releasably engagable with locking recesses provided in an outer surfaces of the armrest column on opposite sides thereof, the locking system further including a spring biased lock release member biased to a locking position causing the locking members to secure the armrest at a fixed height and angle, the lock release member when moved against the spring bias to a release position freeing the locking members to move outwardly to a position clear of the armrest column and allowing adjustment of the height and angle of the arm support, in combination with other specifically claimed features..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
